

BROOKE

I am excited to share that we are **changing our name from Eden to Autograph**. The Eden name was chosen 15 years ago to represent the start of something new. Over the years we have refined and established our approach, under our FoodFarm brand, offering high quality, healthy food children enjoy eating and our teams enjoy cooking. We work in partnership with our schools, parents and children, creating a tailored **signature** food offer, so Autograph is the perfect name for us!

We hope your child enjoys the new menu and finds something they love each day! We would love to **hear what you think** about our menus, or you may want to share one of your own recipes with us, so **please email us at [autograph.schools@interserve.com](mailto:autograph.schools@interserve.com)**

RAY

This is a **Gold Catering Mark menu** which guarantees we serve high quality fresh food which is **better for British farming and animal welfare!**

FORREST

We champion our fantastic **British and local farmers and suppliers** who work hard to provide us with high quality, seasonal produce!

MILES

All of our eggs are **free range** from St Ewe Farm in Truro, Cornwall; all of our **meat is British and Red Tractor certified**; we use some **Fairtrade certified** ingredients; and **only use sustainably sourced fish!**
