This week's focus was on DEDICATION

Anti-bullying Week 2018 Poster Competition—A Note from Richard at StaySafe to Perran-ar-Worthal School

Last year in order to promote National Anti-Bullying Week 2018, Stay Safe Workshops held an Anti-Bullying poster Competition open to all primary schools across the UK. The theme of this years Anti-bullying week was "Choose Respect" and it was also the running theme behind our competition.

We were totally overwhelmed by the number of great imaginative and inspiring posters we received, and after much deliberating we managed to choose a winner.

Year 2 pupil Daisy of Perran ar Worthal School created a poster with an amazingly simple but extremely effective message of "RESPECT EVERYONE". We at Stay Safe felt that this was a winner for us, as it sums up the theme behind Anti-bullying week and is certainly a message lots of us out there can learn a lot from. It's also a message we re-iterate several times throughout our work with young people.

Richard Pomfrett (Founder of Stay Safe Workshops) was delighted to be able to visit Perran-ar -Worthal school on Wednesday 23rd of Jan and present the prize and certificate to Daisy in person. This presentation took place in-front of the whole school as well school governor's and proud members of Daisy's family. We were also happy to treat the whole school to one of our Anti-bullying assemblies.

Due to the volume of posters we received, it was great to see just how many children understand the importance of choosing and showing respect. And while we live in times where some find it so easy to do the opposite, we are hopeful that the young people of today can lead the way and show respect both in their own community's, in school and online. Well done to everyone that jumped on-board and took part.

A bit about us and our work:

Stay Safe! Workshops provide a range of fun, interactive and very educational workshops that equip our kids with vital life skills, educating and protecting them from 'Bullying' keeping them safe while exploring the 'Online World' and also how to 'Stay Safe!' when out and about on their own (far more than just 'Stranger Danger'). Additionally we have been training groups of children to become school mentors and helping schools set up and run successful pupil mentoring schemes within school as a great way of them continuing to spread our message throughout the school long after we visit.

EDEN TRIP INSPIRED ART—Following our whole school trip to Eden the Robins have been busy recreating the beautiful plants they saw in the biomes using a range of colours to mix their own shades of green. These wonderful works of art can be seen in the corridor where it seems our very own Eden biomes are emerging!

IT'S ALL GREEK TO ME! - History lessons were never like this when I was in school! Year 5 have been experiencing what it might have been like to have lived in the times of the Ancient Greeks. This week they have been making the type of food that would have been eaten at that time and there was barely a crumb left at the end of the lesson.

Messy Church is thinking about Self-confidence

MESSY CHURCH is an all-age **family** gathering with craft, games, songs, story and food, not like conventional church; that is partly why it's called "Messy". There is plenty of space for the energetic to run around, and we do not expect anyone to sit quietly when they are not in the mood.

The next gathering will be on **SATURDAY 8th February between 9.30 and 11.00 at All Saints Church, Killigrew Street, Falmouth**.

We will start at 9.30 with a healthy and delicious **breakfast** and then there will be games and activities, followed by an interactive story and songs. Everyone is welcome and **we would be delighted to see you**. All children must be accompanied by an adult please. Messy Church is free, but donations are very welcome.
