Travel and Transport
I can find out the different ways in which travel and transport has changed from past to present.
I can find out about an early form of travel: the Viking longboat . I can observe transport from first hand experience at The Maritime museum.
I can find out about how cars have changed since they were invented.
I can find out about George Stephenson's life and inventions. I can understand how trains changed people's lives in the 19th century . I watched Barnaby Bear's steam train ride!
I can find out about the different ways that humans have tried to fly throughout history. I can find out about the Wright brothers and the invention of the aeroplane
I can compare travel and transport of the past, present and future.
