

A NOTE FROM MRS HEFFER

This week we have been encouraging the children to share and celebrate mistakes that they have learnt from:

VERY SPECIAL VISITORS CAME TO SEE US THIS WEEK! – The children and staff were all thrilled to see new little Meila and her proud parents, Miss Braddon and her partner Chris. Meila was totally 'chilled' during her time at Perran-ar-Worthal School when she visited all the classrooms and was passed from one broody member of staff to another. A lovely surprise for us all! We look forward to seeing Miss Braddon back with us in January and perhaps we may see little Meila join us in a few years to come! Congratulations to Danica and Chris on their beautiful new arrival!

BIKEABILITY SAFE! – This week the Bikeability coaches have been back developing the road safety skills of our Year 6 pupils. Having done their bike maintenance road worthy checks, applied helmets and high visibility jackets, all 7 pupils in the group were ready for the off! We are very grateful for the continued support from the Bikeability Team and their very experienced coaches that come to work with the children each year. The excellent behaviour of our pupils received high praise from the coaches. Well done to all involved!

DON'T FORGET THAT CLUBS BEGIN NEXT WEEK! – Just as a reminder that all clubs will start next week. If you have not yet returned your forms to the office, then please can we ask you to do so no later than Monday as some of the clubs are undersubscribed and may not be able to run if GoActive do not have enough numbers. Thank you.

MATHS AND ENGLISH WORKSHOPS! – Thank you to those of you who were able to attend these workshops this week. For those of you who were not able to make the evening meetings, Mr Teasdale and Mrs Edwards have put the information shared during the evening onto the school website. You will be able to find these very useful documents for how to help you child at home in the 'Teaching and Learning' area of the website under 'Maths Information' and 'English Information'. If you have not already visited these areas of the school website, please can we encourage you to do so as you will find a wide range of teaching videos and documents that will help you support your child's learning at home. Please do not hesitate to pop in and see your child's class teacher if you have any questions relating to their learning.

The final KS2 Maths Workshop will be held on Tuesday, 18th September at 6.30pm in Starlings' classroom.

RAK Club Nominations: The term has started well! Calum Yendle and Oliver Searle have nominated George Bennett-Hughes for helping them with their computing lesson. Thank you George for your kindness.

**PENRYN COLLEGE YR6 OPEN EVENING
WEDNESDAY 26th SEPTEMBER, 2018**

5.00pm until 8.00pm

Talks in Kernewek Hall 5.15pm and 6.30pm you can attend either.

THE TEAM CAPTAINS HAVE BEEN APPOINTED

This week in Swifts we had a very important job, voting for the new team captains. Children had to prepare a speech explaining why they would be a good choice for the job over the summer holiday and then present it to the class. The rest of the class then voted. The votes were incredibly close and I had to recount to be doubly sure! The chosen team captains for this year are:

Red team captain- Kaia

Red team vice-captain – Liberty

Yellow team captain – Lola

Yellow team vice-captain – Beth

Green team captain – Keari

Green team vice-captain – Courtney

Blue team captain – Isla

Blue team vice-captain – Gracie

Well done to everyone who put themselves forward for the positions.
