

## FREEDOM OF INFORMATION POLICY

#### Aims and objectives

- 1. One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.
- 2. To do this we must produce a publication scheme, setting out:
  - The classes of information which we publish or intend to publish
  - The manner in which the information will be published; and
  - Whether the information is available free of charge or on payment
- 3. The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.
- 4. Some information that we hold may not be made public, for example, personal information.
- 5. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner and is a means of showing how we are pursuing these aims.

#### Categories of information published

- 6. The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as "classes". These are contained in the Appendix.
- 7. The classes of information that we undertake to make available are organised into the following broad topic areas:
  - School Profile and other information relating to the governing body.
  - Pupils and Curriculum information about policies that relate to pupils and the school curriculum.
  - School policies and other information related to the school information about policies that relate to the school in general.

#### How to request information

8. If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below.

- Email: secretary@perran-ar-worthal.cornwall.sch.uk Tel: 01872 863004
- Contact address: School Hill, Perranwell Station, Truro TR3 7LA
- 9. To help us process your request quickly, please clearly mark any correspondence "PUBLICATION SCHEME REQUEST" (in CAPITALS please)
- 10. If the information you're looking for isn't available via the scheme, you can still contact the school to ask if we have it.

#### **Paying for Information**

11. Single copies of information covered by this publication are provided free unless stated otherwise. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request.

### Classes of information currently published

12. As appears in the Appendix.

#### Feedback and complaints

13. We welcome any comments or suggestions you may have about the scheme. If you want to make any comments about this publication scheme or if you require further assistance or wish to make a complaint then initially this should be addressed to the headteacher.

If you are not satisfied with the assistance that you get or if we have not been able to resolve your complaint and you feel that a formal complaint needs to be made then this should be addressed to the Information Commissioner's Office. This is the organisation that ensures compliance with the Freedom of Information Act 2000 and that deals with formal complaints. It can be contacted through the main website: <a href="https://ico.org.uk">https://ico.org.uk</a>
