The Assess, Plan, Do, Review Cycle:

For children on our Record of Need, an Assess, Plan, Do, Review cycle is established by the SENDCo in partnership with the child, their parents, the class teacher and the child's 1-1 Teaching Assistant. Please see our SEND Policy for further details.

This year, provision made for children on our Record of Need has been:

- ✓ Communication and Interaction – Speech and Language; Occupational therapy
- ✓ Cognition and Learning – Dyslexikit; Pre-teaching; Task management boards ; Short term memory programmes
- ✓ Social, Emotional and Mental Health – Behaviour support service; Behaviour Project; Educational Psychologist
- ✓ Sensory and/or Physical Needs – Ball therapy programme; Specialised equipment; Physio therapy

During the 2017/2018 academic year, we have had 3 pupils with Educational Health Care Plans receiving SEND Support. A further 3 pupils receive support for speech and language and 1 pupil receives support for behavioural difficulties.

We monitor the quality of this provision by carrying out termly reviews of progress towards individual targets.

We measure the impact of this provision by use of tracking data from a baseline assessment where points progress in reading, writing and maths can be measured as well as collating evidence of progress towards specific individual targets.

Support Staff Deployment:

Support staff are deployed in a number of roles:

- ✓ 1-1 Teaching Assistant(TA) for pupils with specific learning difficulties as outlined in their statements
- ✓ Small group intervention where SEND pupils are part of a group of pupils receiving a specific programme of work.

We monitor the quality and impact of this support by annual Performance Management Reviews and progress of pupils concerned.

Partnerships with other schools and how we manage transitions:

We work with a number of schools in the area in the following ways:

- ✓ The SENDCO team are part of a group of cluster schools that meet half termly to share good practice and carry out joint training.
- ✓ Transition meetings are held with the secondary school SENDCO to inform on SEND pupils joining them.

We ensure that the transition from Nursery to Reception is smooth by holding an initial transition meeting with the senior locality SENDCO, the child's pre-school key worker and parent. We also create personalised transition booklets to enable the child to familiarise themselves with the school before they attend.

We support the transition from one year group to another by holding annual review meetings and transition meetings between internal staff.

The transition from year 6 to secondary school is supported through a transition meeting with the Year 7 tutor and the secondary school SENDCO.

For children with SEND, we also produce transition books where this may be necessary for the child.

Parents are included in this process through regular review meetings and transition meetings. They are also encouraged to keep regular contact with the school through the weekly open class sessions where they can speak to the class teacher or their child's 1-1 TA.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this through our School Improvement Plan, which includes our SEND Development/Action Plan. This can be found on our school website.

Our complaints procedure:

Anyone wishing to make a complaint with regard to SEND support and provision should discuss their concerns with the SENDCO in the first instance and then if necessary refer to the school's complaints policy which can be found on our school website. A hard copy can be obtained from the school office.

This year we received no complaints with regard to SEND support and provision.
